

Case Study

Planning for Biomass Boiler, Lilleshall, Shropshire

Completed: November 2016

Objectives

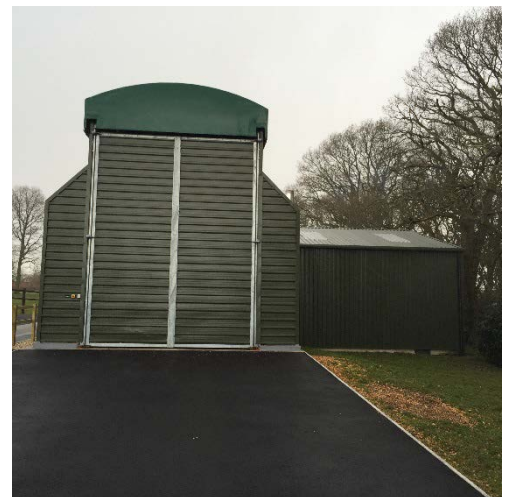

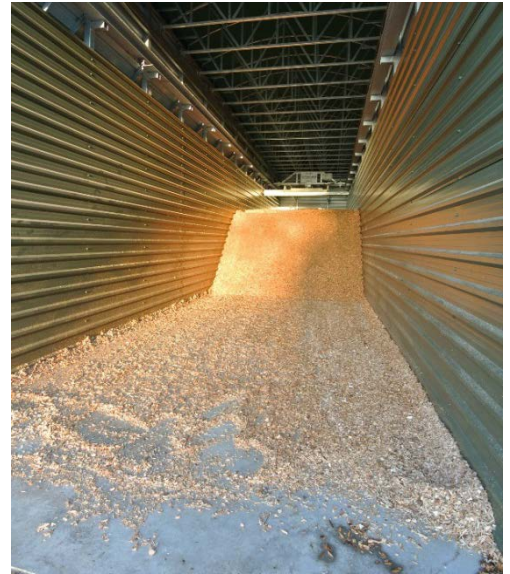

- ▶ Secure planning consent for a 995kW biomass boiler and associated infrastructure to feed a district heating network
- ▶ Ensure a development which is sympathetic to the historic qualities of the site and surrounding grounds
- ▶ No pre-commencement conditions

Client

- ▶ Serco Leisure Ltd. on behalf of Sport England

Delivery

- ▶ Undertake pre-application advice
- ▶ Prepare and submit a planning application
- ▶ Preparation of the supporting documentation and project management of a multidisciplinary team of specialist consultants
- ▶ Comprehensive consultation and negotiation with Local Planning Authority officers and Councillors
- ▶ Successfully secured delegated consent with no pre-commencement conditions
